STATEMENT OF COMPLIANCE PROCEDURES

Creative Interconnect Communications, LLC (the "Company") has established operating procedures to protect the privacy of Customer Proprietary Network Information ("CPNI") as follows:

- (1) The Company does not make use of CPNI for sales or marketing purposes, except for:
 - (i) marketing communications services that are within the same category of services to which the customer already subscribes;
 - (ii) marketing the provision of CPE, call answering, voice mail or messaging;
 - (iii) marketing of inside wiring services, custom calling features, and other services that are adjunct-to-basic services.
- (2) The Company has trained all personnel who have access to CPNI of the uses for which CPNI may be made and on restrictions in the use of CPNI. The Company has a no tolerance policy for violations and will discipline any individual who has been found in violation of CPNI requirements. Intentional or grossly negligent violations will result in termination. In other cases, discipline, up to and including termination, will apply, as appropriate.
- (3) The Company discloses CPNI to third parties only pursuant to lawful process. In the event of any uncertainty, the Company's policy is to consult with counsel before responding to any request for CPNI from a third party.
